Dear Professor Hassan, dear Professor ter Meulen,

The Biological Weapons Convention Implementation Support Unit (ISU) presents its compliments to the Global Network of Science Academies. On behalf of Ambassador Schmid, the Chair of the 2014 BWC meetings, we would like to express our appreciation of your participation at our BWC Meeting of Experts and for your organisation of the Workshop on Advances in Understanding Pathogenicity. We were delighted to receive very positive feedback from our participants that attended your workshop, more specifically the members of the Biotechnology Industry Organization (BIO), who were very enthusiastic and highlighted the interactive nature of the event.

We very much appreciate IAP's active participation in our BWC meetings over the years, and are looking forward to welcoming you again at our forthcoming meetings.

Best regards,

Ngoc Phuong VAN DER BLIJ
Deputy Secretary of the Meeting of Experts
Political Affairs Officer
Biological Weapons Convention Implementation Support Unit
United Nations Office for Disarmament Affairs (Geneva Branch)
Room C.1-1, Palais des Nations, CH-1211 Geneva 10
